Extended Warrantee Terms:						
Extended warrantee extends the standard 12 month warrantee included with the product, and covers against manufacturing defects.						
Warranty teems are exclusive of shipping costs, unless the product is dead on arrival.						
Warrantee does not cover normal wear and tear or abnormal use such as a hostile environment that can cause damage or excessive wear to the product.						
Number of replacement products that can be provided under this extended warrantee is limited.						
Terms of this extended warrantee are covered in the standard product warranty items as described in the product instruction manuals.
